

Hand Pump Kit Exchange Program

Get the **Uniphos™** advantage
supplied by **Factory Direct
Safety & Environmental Inc.**

Get the Uniphos advantage with our Hand Pump Kit Exchange Program.

Send a hand pump from another manufacturer with an order for 6 boxes of tubes at the list price and FDSE will send you a **Uniphos ASP-21 Hand Pump Kit at no additional charge.**

Details:

- The pump sent in must be designed for use with gas detector tubes but may be in any condition.
- FDSE will send a full pump kit with replacement parts, lubricating grease and manual.
